Date: April 11, 2024

To: Dill + Exactra Customers and Suppliers

Subject: Dill Acquisition of Exactra Inc.

Today, we announce exciting news: Dill Air Controls has completed the acquisition of Exactra, Inc. This is a game-changing combination which will provide us additional resources to further expand our USA-made OTR product offerings.

Exactra has been a family-owned business since it began operations in 1988, and we are privileged to carry on the legacy they have built over the past 35 years.

Dill Air Controls was founded in 1909 with a long-standing history of unsurpassed quality and support. Our facility, located in North Carolina, is home to our Manufacturing, Assembly, Quality, Engineering, Customer Service, Administrative, Warehouse, and Shipping departments.

It is our goal to make this transition as seamless as possible for all. In the month of May, we are moving all acquired equipment to our manufacturing facility in North Carolina. We appreciate your understanding and invite you to contact us with any questions. You can reach our Customer Service team at 800-815-3455.

We invite you to visit us at the MINExpo in booth #11677 in September in Las Vegas, Nevada, USA!

Thank you for your support.

Sincerely,

Brian Rigney  
President  
Dill Air Controls
